# NANO VOX- THE BRAND

Nano-Vox (TM) is a brand of Ceyone Consultants LLP which manufactures high-performance, durable and most effective thin film nano-technology based coatings with EPA approved active ingredients. The brand presently sells antimicrobial nano-coatings to customers all over the country.

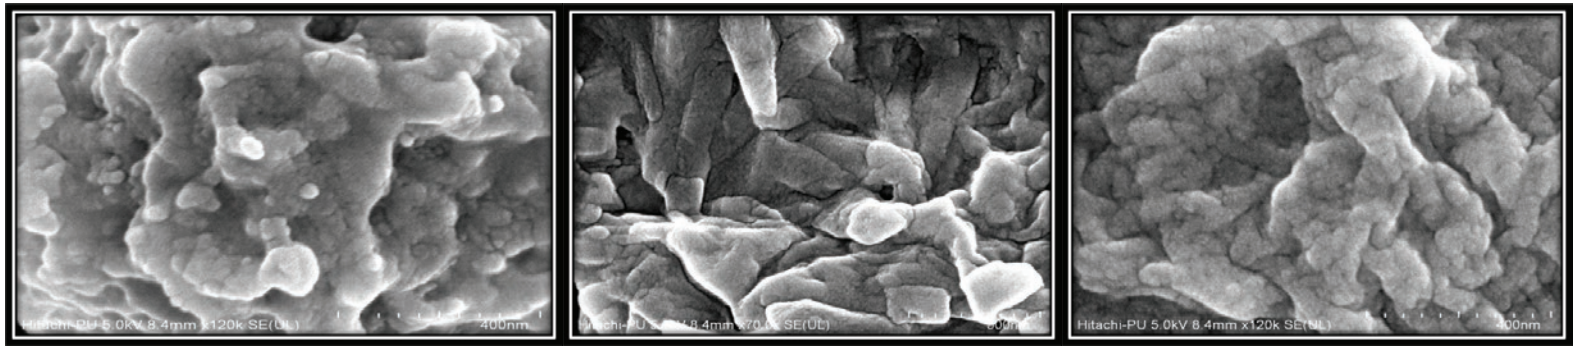
All the products of NANO-VOX are tested and certified by Indian and International authorities for global sales and distribution.

Through continuous research and development in nanotechnology, the company envisions to bring transformational change in the lives of people and industries through its innovations.

## OUR MISSION

To fill the gap in creating one stop nanotechnology leadership company and enhance usage of nano technology by stakeholders across world.

**ANTIMICROBIAL BARRIERS HELP PREVENT THE SPREAD OF DISEASE AND REDUCE THE RISK OF CROSS-CONTAMINATION.**



UNIFORM NANO-COATING
